

PHYSICIAN ASSISTANT- ORTHOPEDICS

An excellent opportunity exists for an experienced PA to join our multi-specialty medical practice. The Institute offers a dynamic environment in which our physicians, physician assistant, nurses and physical therapists work as a team.

Candidates must be a graduate of an accredited PA program and be certified. Experience in orthopedic surgery, spine surgery or general surgery preferred. Must be eligible for licensure in New Hampshire.

Responsibilities include patient evaluation and treatment in an office setting, first surgical assisting, inpatient care, preoperative history and physicals, and emergency care. Reasonable on-call requirement.

Competitive salary and benefits commensurate with experience.
